Please join the Colorado Chapter of IIBEC for an educational seminar regarding “Ask a Building Official”. Learn about common mistakes on Construction Documents, navigating the Green Buildings Ordinance and other Code requirements.

Scott V. Prisco AIA, LEED AP, is the Engineer, Architect Director and Chief Building Official for the City & County of Denver. Scott’s career has spanned the public and private sides of development, design and construction. Scott is a LEED-accredited registered architect.

Christy V. Collins, AIA, LEED AP, is the Green Buildings Specialist for the City & County of Denver. Following 20+ years practicing architecture in the private sector, Christy joined the City’s team and now leads implementation of the Green Buildings Ordinance.

Scott V. Prisco and Christy V. Collins will discuss how the City & County of Denver enforce codes for the Green Buildings Ordinance requirements and how a designer can assist their client with GBO regulations.
